your support for military
families in our community!*

For details, contact Mike Smith at 785.555.5555.

Awareness to Action
KANSAS

This event is part of Awareness to Action in Kansas, a statewide movement to honor and support military families during November, which is Military Family Month. Sponsored by Kansas Operation: Military Kids (OMK), this program educates community groups about military families, empowering them to support military families in their own communities. For details, visit www.KansasOMK.org.
